

BATH CHECKLIST

SELECTION

- ☐ **Choose style:** Freestanding, inset, back-to-wall or spa
- ☐ Ensure bath size suits room layout
- ☐ **Confirm material:** Acrylic, steel, cast iron, stone, etc.

INSTALLATION

- ☐ Frame up for inset baths with access panel
- ☐ Level and support base to prevent movement
- ☐ Fit floor waste and overflow as required

WATERPROOFING

- ☐ **Apply membrane** behind walls and under hob (if present)
- ☐ Seal junctions between bath and wall

FINISHING

- ☐ Check taps and spout alignment
- ☐ Silicone all perimeter edges
- ☐ **Clean** surface and polish before handover
