

TOILET CHECKLIST

SELECTION

- ☐ **Choose toilet type:** Close-coupled, back-to-wall, in-wall or wall-hung
- ☐ **Check WELS water efficiency rating:** 4-star minimum recommended
- ☐ Choose appropriate height and seat style

INSTALLATION

- ☐ Confirm plumbing outlet position, like S-trap or P-trap
- ☐ Ensure cistern is compliant with AS/NZS 6400
- ☐ Seal pan securely and test for leaks

VENTILATION AND ACCESS

- ☐ Provide mechanical exhaust or window
- ☐ Ensure minimum clearance around toilet for comfort and access
