CHECKLIST

BUILD
Building advice made simple
WWW.BUILD.COM.AU

SELECTION
- ☐ **Choose** window **type:** Awning, casement, sliding, louvre, double-hung etc.
- ☐ Consider glazing for thermal and acoustic performance
- ☐ **Match** frame material to aesthetics and **climate:** Timber, aluminium, uPVC

COMPLIANCE
- ☐ Windows must meet *AS 2047* for performance
- ☐ Glazing must comply with *AS 1288*
- ☐ Include keyed locks for security where required

INSTALLATION
- ☐ Flashing and sealing to prevent water ingress
- ☐ Pack and fix the level within frame
- ☐ Confirm correct weep holes for drainage

FINISHING
- ☐ Seal gaps with foam and caulking
- ☐ Fit flyscreens or security screens
- ☐ Clean glass and check for defects
